WEDDING & ENGAGEMENT

Your Love Story

EVERY COUPLE HAS A LOVE STORY. LET ME TELL YOURS. | Your wedding is a unique reflection of you. That's why I love getting to know you, and your wedding details, personally. Knowing your wedding day dreams enables me to create authentic images that reflect the real you.

My shooting style produces images that reveal the intimate and authentic expressions of the love and commitment you share. Unguarded. Natural. Emotional. The cherished images of a lifetime.

Your wedding day will be filled with extraordinary moments intimate, surprising, and joyous. Captured creatively, those moments shine through as timeless heirlooms, instantly bringing you back to the essence of your day. I would love to tell your love story.

Choosing Your Photographer

BRINGING YOUR WEDDING MEMORIES TO LIFE. | You have hundreds of wedding plans to make. Deciding who will bring your memories to life is one of your most important. When the flurry and excitement of your wedding is over, it's beautifully captured images that help you revisit the romance, emotion and spirit of an event that passes so quickly. So, how do you choose the best wedding photographer for you?

CHOOSE A PHOTOGRAPHER WHO VALUES YOUR DREAMS

I believe in getting to know all my couples and your wedding dreams. That makes all the difference. It helps ensure your images will have the natural, more authentic feel of true keepsakes. There is something so special about being a photographer, being apart of a couples whole day. It's such an honor to play such a vital role in one of the greatest days of any couples life ! Every day should feel this good!!

VIEW PORTFOLIO IMAGES FROM AN ENTIRE WEDDING

I capture consistent, quality images throughout your wedding day. Details matter and all the little things are important. When you view my work you will be able to see an entire day from bridal prep all the way through to dancing the night away. So you can assure yourself that the quality you expect consistently shines through in every shot.

THE WEDDING EXPERIENCE

I want my couples to feel like themselves, to have time with their friends and family, to have the most gorgeous portraits of the two of them that showcase their joy and last but not least, our couples deserve to have a wedding day that is stress-free. The Wedding Experience is designed to give them just that!

THE EASIEST PART OF YOUR WEDDING PLANS. Let's have a chat — on the phone, at your favorite coffee spot, costa is mine! or even skype if your not local.

We'll chat about your wedding day, confirm your date, and discuss all the fun details. I'll show you examples of beautiful custom wedding albums and other items that can become your cherished wedding day heirlooms. Together, we'll select the perfect package for your wedding.

Once we confirm the details, There is a contract to sign. After you return your signed contract and the paid the deposit, I'm officially your wedding photographer!

Engagement Sessions

SHOW YOUR LOVED ONES HOW IT ALL BEGAN. | Engagement sessions add so much to the story of who you are as a couple right now, and they're an ideal way to become more comfortable in front of the camera before your wedding day.

Not to mention they are so much fun!! Your engagement session can be as simple as a stroll through your favorite park, an intimate meal at your favorite café, or even a romantic return to where he proposed — anything you can imagine to share the imagery of your personal love story.

Formal or informal, images from your engagement session can make beautiful additions to your wedding album and your whole wedding experience. They help to craft the whole story, and are perfect for your Save the Date Cards too..

Love Note

ASHTON & BOBBY

Ashton & Bobby had been planning their wedding for a few years and were super excited to have a very calm and chilled out wedding at the Galloway Activity Centre. 10 minutes after I leave Golden Hour finally happens, I turn the car around immediately and head back to find them to capture this little piece of magic.

FROM THE COUPLE

Cameron took our photos for our wedding day on June 29th. On the run up to our big day, he made the organising process simple and even gave us suggestions on how to make our day even better.

On the day itself, Cameron joined me at our family home for preparation photos. He made us all feel at ease and he blended in to the background, capturing candid shots (which are some of my favourites).

We are delighted with the photos and are more than happy to recommend Hemera Visuals for any kind of photo occasion. Cameron was brilliant to work with and his work is absolutely beautiful. Thank you, Cameron! Bobby and Ashton Osborne x

Details, Details.

SOMETHING BORROWED, SOMETHING BLUE. | The dress. The rings. The cake. The bouquet. These, and all the other visual details of your wedding, are small but oh-so-meaningful expressions of all that is unique about you. They are the fine points that distinguish you as a couple, and form the visual texture of tender memories. I will document them with care.
